Company Profile

Our Mission

**To be a quality service provider
to beyond our customer's expectations as an undisputed leader in services to
the
Shipping & Transport
Industry in Sri Lanka, through a
highly motivated and dedicated team of professionals.**

Company Profile

Introduction . . .

We, S.S. Shipping Private Limited and S.S. Impex Private Limited, incorporated in 1992, 24th April, and have approvals and the required licenses to transact business in Shipping Agency, Stevedoring Agency, Chartering, Bunkering, Ship Chandling, Ship Repairing, Ship Crew Recruiting, Offshore services, Clearing and Freight Forwarding, and as a Shipping Agency, we handle ALL TYPES OF VESSELS (Shore / Off-Shore) at all three ports in Sri Lanka (Colombo / Galle / Trincomalee). As a Transport Agent, we supply raw materials to Cement Industry in Sri Lanka such as Tokyo Cement Company Lanka Limited, Holcim Lanka Ltd., in all three Ports in Sri Lanka. We also handle vessels carrying Steel Billets and Wire Rods for Ceylon Heavy Industries & Construction Company Limited in Sri Lanka, also we are owners of fleet of vehicles and involve in Transportation from Ports to the Receiver's Destinations. We also handle Bulk Cement transportation to companies such as Larsen & Toubro Ceylinco Private Limited.

We are a well experienced effective and result oriented company ahead of many other bulk shipping agency companies in Sri Lanka. Our staff members are well conversant in their respective fields with a proven track record in the transportation industry.

Service Profile . . .

Wish to state that our company has a sound relationship with the Sri Lanka Ports Authority as well as Sri Lanka Customs to handle our cargo in a smooth operational level and, we are a company dedicated to the service with an experienced well trained staff for every category of our service and we provide a faster reliable service on competitive and very reasonable rates, we are an establishment with a strong and a stable financial status (Profit making concern through new innovations).

Our goal is to develop and expand our business in shipping sea & air freight forwarding and related areas consistently maintaining a high standard in overall services to our principals and customers.
